

BASIC FACIALS:

CLASSIC EUROPEAN FACIAL, DEEP PORE CLEANSING

This Dermaceutical treatment is an excellent starting point for basic skincare needs. The skin is refined by removal of impurities and fortified with corrective nutrients such as Vitamins A, C, & E. If you are looking for a treatment that combines relaxation with results, this is the choice for you! Each treatment is customized with product specific to your needs.

EXECUTIVE EUROPEAN FACIAL, MENS POWER PURIFIER

Thicker male skin needs special consideration. This men's treatment uses Coconut, Tea Tree Extract and Alpha Hydroxy Acids to restore the skin to maximum health. A second power cleansing with JANSSEN Sebo-Control Mask alleviates the skin of excess oils, and provides a uniform complexion. The skin is left purged, exfoliated, rejuvenated, and lightly hydrated.

EXCELLABRASION

Collagen Microdermabrasion:

Series of 6 Treatments: \$930
Single Treatment: \$175

Finally, a microdermabrasion treatment that considers the health and nutritional needs of your skin! Begin with seaweed and collagen cleansing, followed by a highly effective treatment using micro-crystals to gently remove dead surface skin, improving the texture and appearance without the redness of chemical peels. Next, your skin is replenished with vital vitamins and hydrating ampoules. Your treatment ends with a calming, mineral rich mask. This treatment is excellent for reducing fine lines, lip and character lines, hyper-pigmentation, sun damage, acne scarring and dry skin.

BIO-ACTIVE RESURFACING

75-90 min

Series of 6 Treatments: \$870
Single Treatment: \$165

This treatment series incorporates Fruit Acid* technology and Bio-marine Chitosan** essences to smooth and tighten the skin while reversing the signs of aging. Expect intensive lifting results with increased hydration levels to promote healthy skin function and heightened cellular renewal.

*Bio-Fruit Facial treatment with Fruit Acid Collagen fleece
(Exfoliating - Intensive Smoothing/hydration)

**Bio-Marine Facial Treatment with Chitosan Fleece
(Lifting – Intensive anti-wrinkle Effects)

BIO-BRIGHT SKIN TONE CORRECTION

75-90 min

Series of 6 Treatments: \$810
Single Treatment: Not recommended for optimal results

Pigmentation disorders, uneven skin tones and sun damage are problems of the past with this incredible all-natural lightening treatment. Vitamin C and its derivatives work to break down the existing pigmentation, while active Licorice, Mulberry, Arbutin and Dermawhite acids slow melanin production, helping to achieve reliable, long term results without the use of harsh chemicals!

*Bio-Botanica Malanin Suppressor
Single Treatment \$155
